This bargain townhouse is the lower floor of a two storey house. The upper house is accessed from an adjoining street so the lower house is independent. It is in a quiet area near to an open plaza, with parking nearby. The front door opens in to the living room, and at the end of the living room there is a fully fitted kitchen. There are two double bedrooms and a bathroom with shower, bidet, toilet and basin. The property would benefit from some updating but can be occupied immediately. Great value!
