This property is accessed by a 4km dirt track from Almogia, and enjoys superb views of the surrounding area. The plot is large and there are gardens, a garage and a storage building. The driveway leads down to a brick built single garage, which houses the washing machine. The garage has a window to the side. At the rear of this, there is an attached large storage room with separate doors. To one side, there is a further large storage room built above a water deposit with a capacity of 70,000 litres. The front door leads in to the kitchen, which is a large room but basic and equipped with floor and wall cupboards, gas cooker, gas water heater, stainless steel sinks, and plenty of room for a breakfast table. The hallway leads to the living room, which has ceiling fan and woodburner, and double doors to the rear covered terrace. There are three large double bedrooms and a bathroom with toilet, basin and bath. There is also a large store room in the house. The plot extends to around 15,000 m<sup>2</sup>, and around the house there are garden areas with palm trees and fruit trees, shrubs and flowering plants. There are nuts, mangos, fruit trees and a full irrigation system. The property has mains water and irrigation...
